# Functional Skills English and Maths

## New courses starting in September 2021

Our free English and Maths courses are designed for people who do not already hold a Level 2 qualification in English and/or Maths. Courses will take place at the following community venues:

- Brookside Central
- Dawley Social Club
- Hadley Community Centre
- Jubilee House, Madeley
- Leegomery Community Centre
- Park Lane Centre, Woodside
- The Wakes, Oakengates

We run morning and afternoon sessions during term time and courses are offered at four different levels.

At the first session, an experienced tutor will explain more about our courses and advise learners of the most appropriate options.

For more information or to register your interest, please visit our website [www.learntelford.ac.uk](http://www.learntelford.ac.uk) or call Learn Telford on 01952 382888
